

**RS 6** Avant

# The Audi RS 6 Avant.

The RS series is the culmination of our proud motorsport heritage. The result of many years of technical expertise – on roads and racetracks all over the world – the RS 6 Avant brings together astonishing performance with luxury and refinement.

Exterior styling is unmistakable; with signature RS hallmarks such as flared wheel arches and enhanced body styling. And with up to 605PS, the V8 twin turbo engine delivers 0-62mph in up to 3.7 seconds. It's clearly a car with our racing heritage in its genes.

# RS 6

## Key features that come as standard on RS 6 Avant

### Wheels

- ▶ 20" x 9.5J '7-twin-spoke' design alloy wheels with 275/35 R20 tyres and locking wheel bolts
- ▶ Tyre Mobility System

### Performance and suspension

- ▶ Audi Drive Select – changes your car's handling and response at the touch of a button to suit the way you want to drive. Enables the driver to alter the throttle response, the shift point of the automatic transmission, RS-specific adaptive air suspension, exhaust flap control and the power steering feel between the three pre-set modes: Comfort, Dynamic, Auto or Individual mode
- ▶ Electromechanical power steering
- ▶ quattro permanent all-wheel drive with Sport differential – the electronically regulated Sport differential distributes variable amounts of driving force to each rear wheel, stabilising the vehicle's response to load change, improving stability and agility especially when cornering. It ensures better direct steering characteristics and thanks to less steering effort, more agile handling
- ▶ RS-specific adaptive air suspension – electronically controlled air suspension with variable adaptive damping system on all four wheels, with RS-specific tuning. This automatically controls the vehicle level and damping, with four modes: Comfort, Dynamic, Auto and Lift, which can all be selected via the MMI system

- ▶ RS high-performance braking system with brake calipers painted in High-gloss black with RS logo
- ▶ Audi cylinder-on-demand technology

### Lighting

- ▶ Audi Matrix LED headlights – a direct evolution of Audi's LED headlights, Audi Matrix technology provides maximum and precise illumination at all times whilst reducing the risk of dazzling other road users. The vehicle uses information obtained from multiple sources including the interior mirror camera and navigation system to identify the appropriate lighting required. Using GPS data, the vehicle will use high beam, but will automatically switch to dipped lighting when entering built-up areas; whilst high beam is in use, and oncoming traffic is detected, the Matrix beam dips or fully extinguishes individual lighting diodes.

Matrix beam is capable of establishing and tracking multiple road users and illuminating the appropriate corridors of lights either side of them to maintain maximum visibility of the road and surrounding environment without causing disruption to other drivers. Matrix beam technology includes dynamic front and rear indicators which sweep from inside to out. This helps to clearly identify not only that the vehicle is turning, but in which direction

- ▶ Headlight washers
- ▶ Darkened rear LED lights

### Exterior equipment

- ▶ Metallic or pearl-effect paint
- ▶ RS body styling including:
  - ▶ Flared front and rear wheel arches
  - ▶ Front bumper with enlarged air inlets
  - ▶ Front spoiler
  - ▶ Honeycomb-design grille
  - ▶ Rear diffuser
  - ▶ Roof spoiler
  - ▶ Side sill extensions
- ▶ Matt aluminium-look door mirror housings, window capping strips, radiator grille frame and front spoiler
- ▶ Roof rails in matt aluminium
- ▶ Dual-branch exhaust system with two oval tailpipe trims
- ▶ Exterior mirrors – heated, electrically adjustable, electrically folding and auto-dimming, with automatic kerb-view function which tilts the passenger mirror downwards towards the kerb when reverse gear is engaged. Includes memory function
- ▶ Electric tailgate
- ▶ Towbar bracket preparation – the set of parts for retrofitting is available from Audi Accessories or available as an option (see page 14)
- ▶ Audi Beam with Audi Sport logo – uses LEDs to project the Audi Sport logo onto the ground as you exit your RS 6

### Seats

- ▶ Valcona leather upholstery
- ▶ RS Super Sport front seats with driver's side memory function including:
  - ▶ Stitched honeycomb quilted design with embossed RS logo
  - ▶ Electrically adjustable seat height
  - ▶ Electrically adjustable upper backrest angle
  - ▶ Electrically adjustable seat cushion angle
  - ▶ Electrically adjustable seat forwards and backwards position
  - ▶ 4-way electric lumbar support
- ▶ Heated front seats
- ▶ Split-folding rear seats

### Inlays

- ▶ Inlays in Carbon

# RS 6 continued

## Interior equipment

- ▶ Aluminium-look pedals and footrest
- ▶ Auto-dimming rear-view mirror
- ▶ Deluxe 4-zone automatic air conditioning
- ▶ RS 3-spoke flat-bottomed leather multi-function steering wheel with gear-shift paddles in aluminium-look, contrast stitching and RS emblem
- ▶ Electrically adjustable steering column – adjustable for height and reach with auto easy entry and exit function and memory
- ▶ Ambient Lighting Pack – includes lighting for the interior and exterior

### Interior:

- ▶ Entrance lighting
- ▶ Two reading lights at front and rear
- ▶ Anti-glare LED illumination for the passenger compartment
- ▶ Vanity mirrors at front
- ▶ Ambient lighting of the centre console
- ▶ Ambient reflected light for inside door trims
- ▶ Lighting for door pockets, footwells, and inside door handles
- ▶ Reflected lighting for centre console and door inner panels
- ▶ Surround lighting for centre console
- ▶ Illuminated door sill trims with RS 6 logo
- ▶ Glove compartment and luggage compartment lighting

### Exterior:

- ▶ Courtesy light on the underside of the door handles and LED door handle lighting for easy entry and exit in the dark
- ▶ Automatic activation when the doors are unlocked
- ▶ Active internal door reflectors

## Audio and communication

- ▶ MMI Navigation Plus including MMI Touch – hard disk navigation with topographical map display, places of interest and town models in 3D. Destinations can be entered via the speech dialogue system or MMI Touch, including 7-digit postcode recognition. Includes electrically extending high-resolution 8” colour display. Provides detailed route information: map preview, choice of alternative routes, lane recommendations at motorway exits and detailed junction maps. Incorporates MPEG4-compatible DVD player and two SDXC memory card readers. Hard drive for music storage up to 10GB
- ▶ Online map updates (includes five free updates) and myAudi special destinations which allows you to download special destinations such as your favourite restaurants into your navigation system via your myAudi account\*
- ▶ Country-specific information – find out the legal regulations for the country you’re travelling to, such as speed limits, whether it is compulsory to carry a high-visibility vest or whether you need to display a motorway toll sticker
- ▶ MMI Radio Plus
- ▶ DAB digital radio reception
- ▶ Colour Driver’s Information System (DIS) with 7” display – with rest recommendation. Shows the radio station or track title, telephone control, menu and other display information from the infotainment system, such as navigation and on-board trip computer with short and long-term trip memory, outside temperature display, digital speedometer and door or boot-open warning. Also includes RS menu with gear changing light, charging pressure and lap timer
- ▶ BOSE® Surround Sound System:
  - ▶ 14 speakers including centre speaker in the dashboard and subwoofer under the boot floor
  - ▶ Two surround sound speakers in the D-pillar
  - ▶ 12-channel amplifier with a total output of over 600 watts
  - ▶ Acoustics specially tuned to the interior
  - ▶ Surround sound reproduction 5.1
  - ▶ AudioPilot for noise-compensating volume adjustment
  - ▶ Powerful, precise bass reproduction

- ▶ Bluetooth interface – for hands-free mobile phone connectivity and Bluetooth audio streaming (depending on compatibility of mobile phone and software version, please visit [www.audi.co.uk/phonecompatibility](http://www.audi.co.uk/phonecompatibility))
- ▶ Audi Music Interface – universal connection for use with stereo audio sources, USB and MP3 devices including Apple iPod generation 4 onwards (iPod, iPod classic, iPod nano, iPod photo, iPod video, iPod touch). The interface provides charging function (dependent on device and cable). Includes two cables to connect your iPod or USB MP3 player device
- ▶ Email and text messages can be displayed on your vehicle’s MMI. A myAudi account and Audi MMI Connect app are required. Please check [www.audi.co.uk/phonecompatibility](http://www.audi.co.uk/phonecompatibility) for more information

\*Terms and conditions apply, please see page 32.

# RS 6 Performance

## Specification in addition or replacement to RS 6 Avant

### Driver assistance

- ▶ Cruise control
- ▶ Electromechanical parking brake – includes parking brake function when stationary, drive-off assistance function through automatic release when driving away and emergency braking function whilst driving, acting on all four wheels
- ▶ Hill-hold assist – holds the vehicle stationary for unlimited periods after stopping on upward and downward slopes
- ▶ Audi Parking System Plus – acoustic and visual parking system for front and rear
- ▶ Rest recommendation system – analyses driving behaviour based on steering, pedals and gear lever movements. If the system detects a change in driving patterns it can notify the driver of the possible need to take a rest via audio and visual effects
- ▶ Light and rain sensor
- ▶ Tyre pressure monitoring system

### Safety and security

- ▶ ISOFIX child seat mounting – for front passenger (with airbag deactivation) and outer rear seats. Including Top Tether attachment point for the outer rear seats
- ▶ 6 airbags
  - ▶ Front airbags
  - ▶ Front side airbags
  - ▶ Curtain airbags
- ▶ Electronic Stability Control (ESC)
- ▶ Anti-lock Brake System (ABS)
- ▶ Anti-Slip Regulation (ASR)
- ▶ Electronic Differential Lock (EDL)
- ▶ First aid kit
- ▶ Thatcham Category 1 alarm
- ▶ Tool kit and car jack
- ▶ Warning triangle

### Wheels

- ▶ 21" x 9.5J '5-V-spoke Star' design titanium-look alloy wheels with 285/30 R21 tyres

### Performance and suspension

- ▶ 605PS V8 twin turbo engine with Overboost function
- ▶ Sport exhaust

### Exterior equipment

- ▶ Privacy glass
- ▶ Titanium Styling Package – including: front lip spoiler, side flaps, exterior mirrors, rear diffuser, front grille, air intake ducts with quattro logo and window trims in Titanium grey

### Seats

- ▶ Leather and Alcantara upholstery – with honeycomb stitching in blue

### Inlays

- ▶ Inlays in Carbon with blue thread

### Interior equipment

- ▶ Audi Drive Select button on the flat-bottomed steering wheel

# Performance and suspension

## Dynamic Package

Some items work well together, which is why we've created this special pack. It combines RS Sport suspension, dynamic steering and ceramic brakes for an even more responsive drive.

### Top speed restriction increase

Top speed restriction increase to 174mph\*

### RS Sport suspension plus with Dynamic Ride Control (DRC)

Enhanced suspension set-up which consists of a special shock absorber system that counteracts pitch and body roll movement without using any electronic devices. With DRC, diagonally opposed shock absorbers on the car are linked together hydraulically. A central valve varies the shock absorber operating characteristic, for example when the steering wheel is turned and the car is cornering, so that movement around the longitudinal axis (roll) is significantly reduced. DRC uses the same principle to counteract body movement around the transverse axis (pitch) when the car is accelerated or braked. There is a choice of three settings: Comfort, Dynamic or Auto

### Dynamic steering

Improves comfort and handling by dynamically regulating steering according to the driving situation. Allows steering feel to be adapted to road speed and the chosen Audi Drive Select mode. With this technology, driving is more agile under everyday conditions, while directional stability and precision are increased at high speeds and in demanding driving situations. Also enhances active safety with corrective steering inputs if critical situations are detected

		RS 6	RS 6 Performance	Total RRP inc VAT <sup>+</sup>
PA2	<b>Dynamic Package</b> Please note this option forces the removal of Towbar bracket preparation (1D0)	•	•	£2,600

Options are subject to availability and may extend time taken for delivery.

\*Where the law permits.

<sup>+</sup>Total RRP inc VAT – Recommended Retail Price including VAT which is calculated at 20%. This may alter to reflect any change in the applicable VAT rate

– = Not available • = Available S = Standard

# Performance and suspension

## Dynamic Package Plus

### Top speed restriction increase

Top speed restriction increase to 189mph\*

### Ceramic brakes

20" high-performance brake system with carbon-fibre reinforced, ventilated and perforated ceramic brake discs. Brake calipers are painted in high-gloss anthracite with 'Audi ceramic' logo on front. Benefits include extremely high level of wear resistance and enhanced fading resistance due to a lower sensitivity to high thermal loads

### RS Sport suspension plus with Dynamic Ride Control (DRC)

Enhanced suspension set-up which consists of a special shock absorber system that counteracts pitch and body roll movement without using any electronic devices. With DRC, diagonally opposed shock absorbers on the car are linked together hydraulically. A central valve varies the shock absorber operating characteristic, for example when the steering wheel is turned and the car is cornering, so that movement around the longitudinal axis (roll) is significantly reduced. DRC uses the same principle to counteract body movement around the transverse axis (pitch) when the car is accelerated or braked. There is a choice of three settings: Comfort, Dynamic or Auto

### Dynamic steering

Improves comfort and handling by dynamically regulating steering according to the driving situation. Allows steering feel to be adapted to road speed and the chosen Audi Drive Select mode. # Technology Packs Driver assistance

## Parking Pack

Enhancing the parking sensors that come as standard, this pack adds a rear-view camera to help optimise your view while parking and can even help you find and manoeuvre into a parking space.

### Park assist

Searches for suitable parking spaces along the road by means of ultrasonic sensors, calculates the ideal parking path and performs the steering action virtually automatically. The system can support the driver with:

- ▶ Parallel parking in reverse
- ▶ Exiting a parallel parking space, driving forwards
- ▶ Reverse bay parking

Steering is done by the vehicle, with the driver responsible for acceleration and application of the brakes

### Audi Parking System Advanced with reversing camera

An image of the area behind the vehicle is shown on the MMI display, with dynamic display modes showing the calculated path (steer-angle dependent); includes help lines, guidelines and identification of the point at which to apply opposite lock when parallel parking. The reversing camera is concealed in the handle strip of the tailgate

		RS 6	RS 6 Performance	Total RRP inc VAT <sup>+</sup>
WC9	<b>Parking Pack</b>	•	•	£810

Options are subject to availability and may extend time taken for delivery.

Vehicle driver assistance and safety systems are not a substitute for attentive driving. Drivers retain full responsibility for providing the necessary inputs for safe control of the vehicle.

System descriptions within this brochure are provided for information purposes only. System limitations and operational requirements apply. See manual for details.

<sup>+</sup>Total RRP inc VAT – Recommended Retail Price including VAT which is calculated at 20%. This may alter to reflect any change in the applicable VAT rate.

– = Not available • = Available S = Standard

# Technology Packs Driver assistance

## Parking Pack Advanced

In addition to the benefits of parking pack safety and assurance is further enhanced through the use of additional cameras.

### Park assist

Searches for suitable parking spaces along the road by means of ultrasonic sensors, calculates the ideal parking path and performs the steering action virtually automatically. The system can support the driver with:

- ▶ Parallel parking in reverse
- ▶ Exiting a parallel parking space, driving forwards
- ▶ Reverse bay parking

Steering is done by the vehicle, with the driver responsible for acceleration and application of the brakes

### Audi Parking System Advanced with top view

Aids parking and manoeuvring using four cameras. Cameras are mounted in the front grille, the handle of the boot lid and the housing of the two exterior mirrors. The driver can choose between different image representations in the MMI display, including a live 'bird's-eye view' image for parking

# Technology Packs Driver assistance

## Assistance Pack

Includes the following items:

### Adaptive Cruise Control with Stop&Go

Uses radar sensors to detect vehicles ahead. The distance between vehicles is maintained by braking or accelerating

### Pre-sense Plus

Includes enhanced brake assist functions which can detect and warn of imminent collision threats as well as initiate maximum braking to help avoid or minimise collisions, if possible

### Audi Side Assist

Aids the driver when changing lane. Audi Side Assist monitors the area behind your car, using radar sensors located discreetly in the rear bumper, informing the driver with a visual warning signal in the door mirror if there is a vehicle in their blind spot or approaching quickly from behind

### Audi Active Lane Assist

Helps the driver to stay in lane with gentle steering impulses for greater safety and convenience, particularly on motorways and country roads:

- ▶ Informs driver if car is drifting out of lane without activating the indicator (works at speeds above approximately 37mph)
- ▶ Driver has the choice of two system settings in the MMI:
  - ▶ Steering point “early” continuously helps the driver to stay in lane with steering impulses that centre the vehicle in its lane
  - ▶ Steering point “late” alerts the driver that the vehicle is possibly crossing the lane markings at the same time as providing a corrective steering prompt

- ▶ Additional warning via vibrating steering wheel when lane markings are crossed, if specified by driver
- ▶ Additional indication in Head-up display (if fitted)

In combination with Audi Side Assist there is also a noticeable steering intervention before changing lane if a lane change is judged to be hazardous due to an approaching vehicle. This intervention only occurs when both systems are activated and are ready

		RS 6	RS 6 Performance	Total RRP inc VAT <sup>+</sup>
8RF	<p><b>Bang &amp; Olufsen Advanced Sound System</b></p> <ul style="list-style-type: none"> <li>▶ 15 speakers including subwoofer and centre speaker, each with their own amplifier channel for genuine 5.1 surround sound</li> <li>▶ 15-channel DSP full-digital amplifier with a total output of over 1,200 watts, fully digitised with highly efficient 5-channel ICEPower amplifier for woofers and subwoofer</li> <li>▶ When switched on, two acoustic lenses extend from the dashboard for excellent sound rendition and perspective from all seats</li> <li>▶ Polished aluminium speaker covers</li> <li>▶ Acoustics specially tuned to the interior through the targeted use of tweeters, mid-range speakers and woofers</li> <li>▶ Speakers in encapsulated housings isolate music and telephone conversations within the vehicle for privacy – when making phone calls in hands-free mode, for instance</li> <li>▶ Automatic adjustment of volume to the driving situation</li> </ul>	•	•	£6,300
9ZC	<p><b>Audi Connect (36-month subscription) and Audi Phone Box</b></p> <p>Audi Connect Infotainment Services is the link between your Audi and the internet, giving you access to entertainment, information and search functions operated via the MMI control panel, the multi-functional steering wheel or the voice control system. With high-speed internet access in your car when an external data source is used, you can call up information such as flight times, fuel prices, weather and other online services provided by third parties (e.g. Twitter), as well as Points of Interest and high-resolution aerial and satellite pictures from Google Earth™. For more details, please see the full model guide at <a href="http://www.audi.co.uk/brochures">www.audi.co.uk/brochures</a> or ask for a copy from your local Audi Centre.<sup>^</sup></p> <p>Audi Phone Box enables drivers to use their mobile phone in the car by placing it in the storage compartment provided in the front centre console to create a wireless connection to the vehicle aerial, improving reception quality (subject to network coverage). Operated via the MMI control panel, the multi-function steering wheel or the voice control system. Wireless charging available (with Qi-enabled compatible phones) or phone can be charged via USB port. Audi Phone Box option also provides an additional Bluetooth interface for a second device, meaning two mobile phones can be connected to the vehicle simultaneously. For mobile phone and software version compatibility, please visit your Audi Centre or <a href="http://www.audi.co.uk/phonecompatibility">www.audi.co.uk/phonecompatibility</a></p>	•	•	£750
UI2	<p><b>Audi Smartphone Interface</b></p> <p>Connects your compatible smartphone with your RS 6 Avant, bringing your mobile content via USB* directly into the MMI display. Utilising Android Auto or Apple CarPlay, you can access approved apps** for navigation via your Maps app, keeping in touch via messages, phone or selected third-party apps** like WhatsApp, listening to the music on your phone or streaming music from third-party apps,** all of which can be easily controlled via the MMI controller and via the voice control system on your phone</p>	•	•	£250

Options are subject to availability and may extend time taken for delivery.

\*Android systems require the download of the Android Auto app.

\*\*Availability of applications differs by operating systems and is dependent on approval by Apple or Google. Permanent availability cannot be guaranteed as this is the responsibility of Apple or Google. Smartphone interface uses Apple CarPlay, which is available with iPhone 5 or above, or Android Auto, which is available with phones using Android 5.0 Lollipop or above. Use of certain apps with Smartphone interface will be subject to signal availability of the mobile network in your location and in-car usage may increase your mobile data usage. If using regularly, a mobile phone contract including an unlimited or high amount of data is recommended.

<sup>^</sup>Terms and conditions apply, please see page 32 for more information.

# Audi configurator

## The easy way to build your Audi

Our online configurator makes it simple to create your ideal Audi, using all your favourite options from this pricelist.

Visit [www.audi.co.uk/configurator](http://www.audi.co.uk/configurator) to create your perfect Audi RS 6 Avant

# Financing your Audi

## A range of finance plans designed to suit you

At Audi, we offer a range of ways to finance your new Audi RS 6 Avant – with most finance agreements, you just need to choose your annual mileage and the length of the term, then pay an initial deposit which could be as little as one monthly payment.\* For more details, see the accompanying Audi Finance booklet, or speak to your local Audi Centre.

### Solutions Personal Contract Plan

A flexible finance plan designed to give you a number of options, making it ideal if you want to change your car more regularly. At the end of the agreement, you have three choices:

1. Exchange the car for a new Audi.
2. Pay the option to purchase fee and optional final payment, then take full ownership of the car.
3. Simply return the car to Audi (fees may be payable).

### Hire Purchase

If you know you'd like to keep your Audi, Hire Purchase could be right for you. And as you're making your payments with a view to owning the car, there's no restriction on how far you can drive each year.

### Contract Hire

If you don't want to own your Audi, Contract Hire could be a great option. You can add a service, maintenance and tyres plan and, for VAT-registered businesses, an element of the VAT on rentals may be recoverable. You simply need to commit to a regular monthly payment and hand your car back at the end of your agreement (subject to our return standards).

### Online Finance Calculators

Use our finance calculators to get a personalised quote that suits you. Simply visit the Finance and Offers section on [www.audi.co.uk](http://www.audi.co.uk) and you can choose between our Solutions Personal Contract Plan and Contract Hire calculators and see what you can expect to pay for your new Audi.

### Audi Insurance

To ensure you can start enjoying your new car from day one, the first five days' insurance<sup>†</sup> is included as standard with all new Audi models. To activate it, simply call 0330 303 6900, give us a few details and you can drive it away as soon as you take delivery.

Telephone lines are open Monday to Friday 8am–8pm, and Saturday 9am–4pm. For details of our full range of insurance products, visit [www.insurewithaudi.co.uk](http://www.insurewithaudi.co.uk)

\*An offer of finance depends on certain conditions. Finance subject to status. Available to 18s and over. Terms and conditions apply. Audi Financial Services. †Subject to eligibility criteria. Audi Motor Insurance is sold and administered by Ageas Retail Limited. Audi Financial Services is a trading name of Volkswagen Financial Services (UK) Limited ("VWFS UK"). Registered in England and Wales No. 2835230. Registered Office: Brunswick Court, Yeomans Drive, Blakelands, Milton Keynes MK14 5LR. Financial and consumer credit services are provided by VWFS UK. Volkswagen Financial Services (UK) Limited is authorised and regulated by the Financial Conduct Authority, registration number 311988. Audi Motor Insurance from Audi Financial Services is sold and administered by Ageas Retail Limited, registered in England and Wales No. 1324965. Registered office: Ageas House, Hampshire Corporate Park, Templars Way, Eastleigh, Hampshire SO53 3YA. Ageas Retail Limited is authorised and regulated by the Financial Conduct Authority (FCA), registration number 312468. Volkswagen Financial Services (UK) and Ageas Retail Limited are not part of the same corporate group.

# RS 6 Avant technical data – petrol engines

All of our RS 6 Avant engines meet EU6 emissions standards. Depending upon your chosen RS 6 wheel size, different efficiency figures for CO<sub>2</sub> emissions and fuel consumption will apply (based on EU directive no. 715/2007 effective from 01/09/14). This table is a quick reference guide to assist you in finding the correct values based on wheel sizes and chosen engine.

	Petrol engines	
Engine	4.0 TFSI quattro	4.0 TFSI quattro (Performance)
Transmission	8-speed tiptronic	8-speed tiptronic
Cylinder	V8	V8
Displacement, cubic cm	3993	3993
Max. power, <sup>1</sup> PS at rpm	560/5700–6600	605/6100–6800
<b>Performance</b>		
Max. torque, Nm at rpm (in overboost)	700/1750–5500	750/1750–6000
0–62mph acceleration, seconds	3.9	3.7
Top speed, mph*	155	155
<b>Weight</b>		
Unladen weight, <sup>2</sup> kg	1950	1950
Gross weight limit, kg	2580	2580
<b>Further information</b>

Max. trailer load with 12%/8% gradient, <sup>3</sup> kg	2100/2100	2100/2100
Fuel tank approx. capacity, litres	75	75
ABI insurance group 1–50 <sup>4</sup>	50E	50E

	Petrol engines		
Engine		4.0 TFSI quattro	4.0 TFSI quattro (Performance)
<b>Wheel and Tyre Clustering</b>			
CO <sub>2</sub> emissions, <sup>5</sup> g/km	20" wheels	223	–
	21" wheels	223	223
Benefit in kind 2017/18 tax year (BIK)%	20" wheels	37%	–
	21" wheels	37%	37%
Fuel consumption, <sup>5</sup> mpg (l/100km) Urban	20" wheels	21.1 (13.4)	–
	21" wheels	21.1 (13.4)	21.1 (13.4)
Fuel consumption, <sup>5</sup> mpg (l/100km) Extra Urban	20" wheels	38.2 (7.4)	–
	21" wheels	38.2 (7.4)	38.2 (7.4)
Fuel consumption, <sup>5</sup> mpg (l/100km) Combined	20" wheels	29.4 (9.6)	–
	21" wheels	29.4 (9.6)	29.4 (9.6)

The information on this page is relevant for new factory orders only and is correct at time of publication. Please confirm with your Audi Centre the exact specification and technical data for your model. \*Electronically limited. Please see page 13 for option to increase limit. <sup>1</sup>The given value was obtained in accordance with the specified measurement procedure (the respective current version of the Directive 80/1269/EEC). The maximum power output figures are quoted in PS (or Pferdestärke, which is the metric equivalent of brake horsepower). To convert to brake horsepower, divide the PS figure by 1.0139. <sup>2</sup>Vehicle's unladen weight without driver (calculated in accordance with the current version of Directive (80/1268/EEC). The fitting of additional equipment may increase the vehicle's unladen weight and drag coefficient, whereupon the potential carrying capacity and top speed will be correspondingly reduced. <sup>3</sup>The engine's power output always goes down with increasing altitude. At 1,000m above sea level, and for every additional 1,000m, deduct 10% from the weight of the outfit (trailer load limit + gross weight of the towing vehicle). <sup>4</sup>Highest insurance group rating shown. Group may be lower dependent on trim level. Please visit [www.thatcham.org/abigrouprating](http://www.thatcham.org/abigrouprating) for details. <sup>5</sup>Fuel consumption and CO<sub>2</sub> emissions figures are obtained under standardised test conditions (Directive 93/116/EEC) using a representative model. This allows direct comparison between different models from different manufacturers, but may not represent the actual fuel consumption achieved in 'real world' driving conditions. More information is available at [www.dft.gov.uk/vca](http://www.dft.gov.uk/vca)

# RS 6 Avant dimensions

## All the measurements you need

See the exact dimensions of the Audi RS 6 Avant, so you can check everything – from whether the car fits your garage to whether your luggage fits the boot.

Dimensions in millimetres. Optional equipment may affect dimensions. Dimensions were measured with vehicle at unladen weight, ground clearance measured with vehicle carrying its maximum load. Turning circle approx. 11.9m.  
 \*Including roof aerial, the vehicle height is 1,482mm. \*\*Maximum headroom. \*\*\*Elbow room width. \*\*\*\*Shoulder room width.  
 †Measured by the VDA standard test method using 200 x 100 x 50mm blocks.

RS 6 Avant model luggage compartment capacity:†  
 565l (rear seats up) or  
 1680l (loaded up to roof with rear seats folded).

# Important information

## Welcome to Audi

### Audi customer care

Every new Audi includes these reassuring features as standard:

- ▶ 3-year Audi warranty (unlimited mileage in the first two years, with a full mechanical and electrical warranty up to 60,000 miles in the third year)
- ▶ A 3-year paint warranty
- ▶ A 12-year anti-corrosion warranty
- ▶ 3-year UK roadside assistance and recovery
- ▶ 3-year accessories warranty on any accessories purchased with your car (2-year warranty if purchased separately from your new Audi)\*

You also have the option when ordering your new car of choosing a 4-year or 5-year Audi warranty. Speak to a member of the sales team for more information.

Warranty terms and conditions apply. Please see [www.audi.co.uk/warrantyterms](http://www.audi.co.uk/warrantyterms) for further details.

### Information in this pricelist

We've done all we can to make the prices, specifications, technical details and all other information you see in this pricelist accurate at the time of publication. However, as our products are constantly being updated, we recommend checking the details with your Audi Centre.

We reserve the right to change prices or specification at any time. All prices shown in this guide include VAT which is currently charged at 20%.

Delivery charges and number plates are not included in the Total RRP inc VAT vehicle price.

Delivery charge	£504.99
Number plate	£20.00
VAT	£105.01
Total	£630.00

Recommended On-The-Road (OTR) prices include the delivery and number plate charges above, Road Fund Licence (which may vary depending on model/transmission – see table for details) and first registration fee at £55.00.

The images featured in this pricelist are for illustrative purposes only. They may feature left-hand drive vehicles and include equipment that is not UK specification.

### CO<sub>2</sub> emissions-based Vehicle Excise Duty

Vehicle Excise Duty (Road Fund Licence) is based upon the amount of Carbon Dioxide (CO<sub>2</sub>) a vehicle emits, measured in grams per kilometre (g/km). First-year VED rates apply to the first year of ownership. Annual VED rates apply thereafter. The DVLA has created 13 categories:

#### Vehicles registered on or after 1 April 2017

Petrol and diesel engines	First year	Standard rate <sup>†</sup> (second year onwards)
A – 0g/km	£0	£0
B – 1 to 50g/km	£10	£140
C – 51 to 75g/km	£25	£140
D – 76 to 90g/km	£100	£140
E – 91 to 100g/km	£120	£140
F – 101 to 110g/km	£140	£140
G – 111 to 130g/km	£160	£140
H – 131 to 150g/km	£200	£140
I – 151 to 170g/km	£500	£140
J – 171 to 190g/km	£800	£140
K – 191 to 225g/km	£1,200	£140
L – 226 to 255g/km	£1,700	£140
M – over 255g/km	£2,000	£140

Vehicle Excise Duty (VED) rates correct at time of publication, but these may alter to reflect any change in the applicable VED rate.  
<sup>†</sup>Vehicles with a list price exceeding £40,000 (including factory installed options, delivery charge, number plates and VAT) will pay an additional £310 plus the standard annual rate for a 5-year period. After the 5-year period only the standard rate will apply.

\*Excludes Road Angel products.

# Important information continued

## Audi tax-free sales

If you are entitled to purchase a vehicle free of VAT, normally through military or diplomatic privilege, please contact your local Audi Centre for full details. Should you have any difficulty obtaining the information you require, please call 0870 241 5663.

## Audi Connect Terms and Conditions

The Audi Connect Online Services (“Connect Services”) are provided by Audi AG, and are included as standard in certain models within the Audi range of vehicles and are also available within some optional packs, such as the Audi Technology Pack. Audi AG is a company within our corporate group.

The Connect Services include:

- ▶ Audi Connect Infotainment Services (“Infotainment Services”).

Some services require additional activation steps. In order to enjoy these services customers must register, accept the terms and conditions and follow the activation steps instructed on myAudi (please visit <https://login.audi.com>).

Some services also require the download of the Audi MMI App on a compatible phone or tablet (always check latest phone and software compatibility).

Whilst correct at the time of publication, the content and scope of the Connect Services offered may vary from time to time. Features vary by model. Audi AG may add, change, replace or remove individual services or features at any time during your subscription for the Connect Services.

Enhancements in vehicle technology, information technology and web-based services sometimes require the Connect Services to be adapted and enhanced in line with new forms of technology or changes in user behaviour. In this context, Audi AG reserves the right at any time to enhance, reduce or change the functional scope of the Connect Services in a manner that it considers is reasonable for the customer.

For full details of the specific Connect Services on your vehicle, together with complete and up-to-date terms and conditions for those Connect Services, please visit [www.audi.co.uk/connectterms](http://www.audi.co.uk/connectterms)

### Audi Connect Infotainment Services

An external data source is required to enable the Audi Connect Online Infotainment Services (“Infotainment Services”).

One of two can be used:

- ▶ A Bluetooth-compatible mobile telephone with remote SIM access profile (“rSAP”). For mobile phone and software compatibility, please visit [www.audi.co.uk/phonecompatibility](http://www.audi.co.uk/phonecompatibility) or your local Audi Centre; or

- ▶ A separate SIM card with data option (which can be inserted into the vehicle SIM card reader). If 4G usage is required, the SIM card will also need a 4G option. When a separate SIM card is used, hands-free phone calls are possible by connecting a different mobile telephone via Bluetooth hands-free profile. For mobile phone and software compatibility, please visit [www.audi.co.uk/phonecompatibility](http://www.audi.co.uk/phonecompatibility) or your local Audi Centre

Infotainment Services will only be available within the coverage area of your mobile phone network and there may be additional costs to you for the use of Connect Services (charges and billing correspond to your personal mobile phone contract or SIM card contract). Due to high data volumes, a mobile phone contract including an unlimited or high usage data plan is strongly recommended.

The Infotainment Services enable access to certain search, social media and other online services provided by third parties. Features vary by model. Permanent availability cannot be guaranteed as this is the responsibility of the relevant third party provider.

You may not use the Connect Services for any purpose other than the provision or receipt of services in accordance with these terms.

The subscription is activated from the point of vehicle registration. Should you wish to continue to use the Connect Services after your subscription expires, please consult your local Audi Centre for details (including the latest subscription fees). Charges will apply upon renewal.

## MMI Navigation Plus – online map updates and myAudi Special Destinations

The map version delivered with vehicles with MMI Navigation Plus can be updated free of charge for the first five updates after vehicle delivery (which are generally issued at intervals of 6 months). The current navigation data can be downloaded from the myAudi platform at [www.audi.com/myaudi](http://www.audi.com/myaudi) and embedded in the vehicle via SD card. In conjunction with Audi Connect Infotainment Services, the update can be carried out online in the vehicle (subject to mobile reception and an active data connection). For further navigation updates, it is possible to purchase new navigation data maps from your local Audi Centre at extra cost – please contact them for details.

With myAudi Special Destinations, you can download your favourite POI lists available on the internet (such as favourite restaurants) and have these displayed on your navigation map. In order to enjoy this service, customers must register, accept the terms and conditions and follow the instructions given on myAudi. Please visit <https://login.audi.com/login>
